CIRRUS HEALTH ANNOUNCES LINDEN CREST SURGERY CENTER PASSES AAAHC INSPECTION

Trophy Club, Texas...Cirrus Health announced today its Beverly Hills facility, Linden Crest Surgery Center has received its AAAHC accreditation. The Accreditation Association for Ambulatory Health Care (AAAHC) is a private, non-profit organization and is the highest accreditation an ambulatory surgery center can receive. The AAAHC is dedicated to developing healthcare standards and performance measurements for patient care. AAAHC accreditation has become a symbol of quality and excellence in ambulatory healthcare.

“Linden Crest Surgery Center has passed the series of nationally recognized standards set by AAAHC,” stated medical director Dr. Nicolas Karyotakis. “Accreditation shows our commitment to deliver the best in patient care.”

Located at 9735 Wilshire Boulevard on the first floor of the Beverly Hills Triangle Medical Plaza, Linden Crest Surgery Center is just 2 miles west of Cedars-Sinai Medical Center. The facility's 7,651 square feet hosts 3 state-of-the-art operating suites, a procedure suite and 7 post-acute beds. Services offered at Linden Crest Surgery Center include minimally invasive surgery, bariatric surgery, colo-rectal surgery, ears, nose & throat surgery, infertility, gastrointestinal endoscopy, general surgery, gynecology, interventional radiology, plastic surgery, pain management, podiatry, pulmonary endoscopy, and urology.

Linden Crest Surgery Center is operated by Trophy Club based, Cirrus Health in partnership with physicians. “When you give physicians a strong voice in determining how patient care is delivered, the standards of healthcare are raised,” stated Ron Duperroir, senior vice president of operations for Cirrus Health, “The AAAHC accreditation is the result of physicians and staff who are committed to delivering the best in surgical care.”
